# CALIFORNIA STUDENT AID COMMISSION P.O. Box 419029, Rancho Cordova, CA 95741-9029 ASSUMPTION PROGRAM OF LOANS FOR EDUCATION (APLE) LOAN ASSUMPTION AGREEMENT AY 2008-09

NAME: ,
TEACHING SERVICE AREA:

I, the undersigned APLE participant, understand and agree to the following:

#### **SECTION I - COURSEWORK REQUIREMENTS**

#### I must:

- Maintain enrollment in an approved participating APLE institution and maintain satisfactory progress in either an academic program leading to a baccalaureate degree or a program of professional teacher preparation that has been approved by the Commission on Teacher Credentialing (CTC).
- Maintain a minimum of half-time enrollment in baccalaureate or credential coursework per academic term, as defined by my institution
- Complete coursework and training necessary to obtain an initial teaching credential other than an emergency credential which requires receipt of a baccalaureate degree and completion of a CTC approved program of professional teacher preparation which includes a student teaching requirement and authorizes service for kindergarten through 12th grade.

NOTE: My initial teaching credential is a preliminary or clear multiple or single subject teaching credential unless I have agreed to provide teaching service in reading or special education. If I have agreed to provide teaching service in special education or reading, my initial teaching credential is a specialist credential in special education or in reading.

#### **SECTION II - EDUCATIONAL LOAN OBLIGATION**

#### I must:

- 1. Report **all** outstanding educational loans to the California Student Aid Commission (Commission) prior to receiving payment.
- Comply with all student loan repayment obligations and continue
  making scheduled payments on student loan(s) until notified by my
  lender that the loan is paid in full. I understand that an APLE loan
  assumption payment will not cancel or replace any scheduled
  student loan payments.
- Provide written notification to the Commission within 10 days of any change in the status of my student loans, including notice of delinquency/ default and the sale, transfer or consolidation of my student loans to another lender or servicer.
- Be free of any obligation to repay any state or federal educational grant and not be delinquent or in default on any state or federally insured educational loan.

#### SECTION III - LOAN ASSUMPTION BENEFITS

#### I understand that:

In order to qualify for and receive the full APLE benefits I must:
 Obtain an initial **teaching** credential and provide eligible full-time teaching service under a regular full-time teaching contract in a California public school for four (4) consecutive school years in the teaching service area listed at the top of this Agreement.

#### SECTION III - LOAN ASSUMPTION BENEFITS (CONT.)

- Complete the first full school year of eligible full-time teaching service in kindergarten through 12th grade in a California public school within thirty-six (36) months from the date I become eligible to receive my initial teaching credential.
- 3. Employment Verification Forms and Loan Balance Verification Forms must be forwarded to the appropriate school officials and lenders for completion and submission to the Commission. These forms must be returned by the deadline to qualify for benefits. If I fail to meet a deadline, I may be withdrawn from the program. I agree to allow the Commission to change my teaching service area, if it is determined that it is necessary to make me eligible for a benefit payment on my loan.
- Educational loans obtained for coursework other than a baccalaureate degree and an initial teaching credential are not eligible for assumption under the APLE.
- Depending on my June 30<sup>th</sup> outstanding loan balance each year and the state budget, the Commission will issue loan assumption payments directly to lender(s)/servicer(s) as follows:
  - Up to \$2,000\* after completing my first school year of eligible full-time teaching service.
  - Up to \$3,000\* after completing my second consecutive school year of eligible full-time teaching service.
  - Up to \$3,000\* after completing my third consecutive school year of eligible full-time teaching service.
